ABOUT

Badminton Asia

Badminton Asia is the governing body of the badminton sport in Asia under the flagship of Badminton World Federation (BWF).

Badminton Asia is currently represented by 43 member associations from 5 sub-regions all across Asia. The 5 sub-regions recognised under the Badminton Asia Strategic Plan 2013 – 2016 are :

- East Asia
- South East Asia
- West Asia
- Central Asia
- South Asia

As the governing body, Badminton Asia focuses on promoting, managing and developing the sport in Asia in principles of specificity and universality.

BADMINTON ASIA REBRANDING

“Smash the World”

The logo portrays the dynamic motions of a shuttlecock that sits gracefully on an oval shape which also represent the attributes of Badminton as a growing & favorable sport in Asia, and strives to push Asia as the best in the world.

The dynamic expression of Asian culture represented as brush strokes which derives from the shuttlecock in motion and the orange to red gradient depicts the burning spirit of badminton player.

MESSAGE FROM **ANTON ADITYA SUBOWO**

President of Badminton Asia

Dear Presidents, Colleagues and Friends,

Another brand new year for Badminton Asia and we are glad to be able to converge here in the vibrant city of Bangkok for our annual meet. We are here not only to cherish and congratulate for our hard work, cooperation and determination of 2017 and we also look forward for us to do more and better for Asia.

We together as a big Asian family have worked hand in hand for the last two years since the beginning of a new era and we now see the positive progress, implementation and achievement of all our programmes and events.

We had a dream and this dream it is coming true for all of us, but this is just the dawn of reaching greater heights. Although we are in the right pathway and starting to reap our current success, there is still a long way of struggle and perseverance that we all need as a team to reach the never-ending way of success.

Badminton Asia is now a highly respectable Confederation, an acknowledgement not only by our sponsors and stakeholders but also various international sporting fraternity and corporations. We have more development programmes reaching far greater into each corner of the continent, our events are well recognised for its higher presentation and value-added gain, more members are receptive with the willingness to work closely with us, more sponsors and organisations are looking for potential opportunities for our products and many more.

All these can only be achieved due to all of our members support and enthusiasm. Our achievements gained, whether it is minor or major success, throughout these few short years is our accomplishment which we can proudly add into our list of accolades. You, our members, are the pillars for Badminton Asia to move upwards, and to bring more benefits for the glory of Asian Badminton.

This General Meeting, acts as a covenant for us to work together, to share our knowledge and to seek the best way for us to work together for our future. We will be strong only if we work closely together as one cohesive unit.

We are Badminton Asia and **WE MUST BE UNITED AND CONNECTED.**

We are Badminton Asia. **WE ARE UNITED AND CONNECTED.**

Thank you and with most sincerity.

Involvement in Badminton

As administrator 2 years and as amateur player 30 years. Years of involvement (either as a coach, player, administrator, council etc.)

Administration :

Since the no of players and no of tournaments increased the administrative job enhanced.

YOUR ASSOCIATION'S ACHIEVEMENT IN 2017:

We have a lot of potential players to build a Badminton nation, a group of enthusiastic administrative staff always desire to work hard for Bangladesh Badminton. We have been organizing Bangladesh International Series, International Challenge and International Junior for Last 6 Years. Shuttle time kicked off this year with great help from Australia Badminton and Sport Matters. Besides that we organize National Championship Junior and Senior, National first and second division league, School Badminton Championships, Summer Open, age based tournament, Veteran tournament to make Badminton Popular in Bangladesh as well as would with limited resources and unlimited challenges.

Bangladesh has produced one BWF certified Umpire and three BA accredited umpires those who are conducting tournaments including super series. Bangladesh produces BWF level 2 and level 1 coaches and Tutors for BWF Level I and Shuttle time. We have organized Regional umpires Course, Regional Players training camp, Regional Coaches Clinic several times as a regional development center supported by Badminton Asia and BWF.

Achievement in 2017:**a) Players:**

The federation is in a position to nurture good number of national players, whereby few players were given intensive coaching to participate in the Nepal International series, which was held in the month of December 2017. Prior to this international series, our players participated in the Annapurna International championship held in Nepal in the month of June 2017.

The result from these two tournaments was very effective and the Federation is gearing for more exposure of our athletes by requesting the government to sanction more fund. Further the other athletes were also given regular coaching throughout the calendar. Six national players attended a week long training and South Asia Regional championship held in

Guwahati organized by the South Asia regional group comprising of SAARC Countries. Gradually gearing to uplift the standard of the players to participate in the international tournaments. With the participation in the Nepal International Series, it was an eye opener for both players and the federation, where there is a need of more exposure and talent to compete with the international athletes.

Therefore, the Federation is aiming to have an elite permanent national players, so as to gain popularity in the game of Badminton and in a position to compete in the International games and competitions.

b) Administration:

Upon the appointment of General Secretary, the federation revived its administration work and the progress of administration work enhanced by making good relations with the stake holder within the country and also with BWF and BAC. The AGM's of BAC and BWF were attended by him so far and the development of badminton in Bhutan is progressing very smoothly.

Though the fund is very limited, the success in the development of badminton in the country is overwhelming. With the help and support of BAC, numerous programs were conducted to achieve the required goal of the federation. The federation conducted its annual general meeting, where different stake holders were invited to uplift the game of badminton as well as to improve the system. In addition, the constitution of the federation was also ratified in minor clauses, where improvement is required.

c) Events:

In the events category the federation normally conducts two to three major events in the financial year. The other regional events were conducted by the Sports Associations in consultation with the federation. The technical support is given by the Federation. In addition, the federation conducted three tournaments in the country to boost and to hunt talented athletes.

d) Technical Official:

In the 2017 we have conducted umpire training to 15 sport teachers.

e) Development:

In the development aspect of the Federation, we have conducted shuttle time program for the children covering almost another 1000 children across the country with the help of teachers and the instructor who were given the courses on shuttle time program. Currently, we are conducting advanced level training to our national players and these national players were also given sensitization on Anti-Doping Program, so that they are well aware of the doping procedures.

Further, the federation conducted 5 (five) shuttle time program in different region for teachers. A total of nearly 130 teachers were trained.

INVOLVEMENT IN BADMINTON;

Will Chang started to participate in badminton games at the age of 10 and was on the varsity in badminton during his studying career. In 2017, Will Chang, the president of the Keelung City Badminton Committee, was elected as the president of Chinese Taipei Badminton Association (CTBA). At the same time, he is also one of the members of the Chinese Taipei Olympic Committee.

ACHIEVEMENTS IN 2017;

In 2017, various badminton tournaments were held by CTBA, for instance, the 1st and the 2nd National Ranking Badminton Tournaments 2017 and YONEX Open Chinese Taipei 2017 at the Taipei Arena. Professional events such as Grade A and Grade C umpire seminars, and Grade B and Grade C coach seminars were also carried out throughout the year. It is significant that badminton professionalism can be intensified at the range of youth-to-adulthood.

Furthermore, the 12th president election of CTBA was completed in August 2017. Will Chang was elected to be the president of CTBA for the next four years. His goal is to increase the population of youth-to-adult badminton players in Taiwan, implement the thorough training program to win the Olympic Games, and enhance the development of badminton professionalism.

IN ORDER TO REALIZE THESE GOALS, CTBA WILL

- 1) provide the opportunity for potential youth badminton players constantly participate in the international badminton tournaments,
- 2) sponsor the national umpires to serve as the umpire at international tournaments,
- 3) host junior tournaments in Taiwan,
- 4) and upgrade the tournament level of Chinese Taipei Open.

ACHIEVEMENT IN 2017:

In this year, our players made remarkable results and showed fantastic performance in many tournaments. The player's have improved their competitiveness dramatically, and finally, they brought us two medals in Rio Olympic Games. The younger generations also keep improving as we have been nourishing our youngsters to polish their badminton skills to level up. They also made good results in the tournaments.

In the development side, we received the junior players from some countries, such as Maldives, France and Malaysia. These junior players experienced the Japanese style training by our coaches, and hopefully they learned something out of the training in Japan.

As a results of all our efforts put in so far, the badminton populations keep increasing every year. We strongly feel that we must continue our efforts for the sake of our great sport.

Development of the mass character of the badminton and achievement of sports results. At the current stage - it is promotion of badminton as available sport for people of all ages. And especially important is development badminton for girls and women's as they need sport which is available.

Involvement in Badminton

I have been playing badminton since 2010, and from 2014 have started coaching. When I noticed the growth of the popularity of the badminton in the Kyrgyz Republic, I have decided to create the Badminton and Squash Federation of Kyrgyzstan.

Achievements in 2017

We have organized several competitions between the students with two events alone in 2017. The first competition was open to all students of Kyrgyzstan and the second one was among amateur players which due to its popularity was joined by players from neighboring countries (Kazakhstan and Uzbekistan) as well as expat community in the Kyrgyzstan (http://24.kg/sport/45503_badminton_novaya_volna/).

Several universities and schools have included badminton classes in their curriculum. Also, the federation has started to train some students for Line Judges. Some of our students already know how to organize the draw, calculate the order of the games and teach them on how to compile reports on the competition. Due to the interest that we have received from the student community this work will continue on.

Development and reform of Macau local tournament to promote the popularity of badminton in Macau

I have been involved in badminton for over 16 years. Under my leadership, badminton has become the most popular sport in Macau. Various and different level of local tournaments have been introduced and organized for the public, government, enterprises and social associations in order to promote and enhance the popularity of badminton in Macau.

Achievement of Badminton Federation of Macau in 2017

In 2017, we got a great improvement. There were more and more people playing badminton in Macau, and more young players were promoted to Macau National Badminton Team, making the team to be stronger and stronger. In Sudirman Cup, World Junior Championship and Asia Junior Championship, our players made huge improvements, especially in World Junior Championship, Macau National Team is 27th in 45 teams, which is better than 31st in year 2016 and 35th in year 2017. And in Sudirman Cup, Macau team obtained the second place in Group 3. For International event, 2017 Macau Open Badminton, Part of BWF Grand Prix Gold Series, successfully completed, and it was the twelfth year for Macau to organize Macau Open Badminton since 2006.

Our federation not only organizes local badminton tournaments, but also assists local government departments, institutions and companies in organizing badminton events. We provided technical official services to more than 10 different organizations in 2017.

Achievements in 2017:

The new committee was elected in March 2017 and the new committee renovated the auditorium and the administrative building and gave a face lift for Sri Lanka Badminton.

Synthetic Badminton courts were laid for daily practices for the National Badminton Pool which was a long outstanding requirement. SLB commenced three outstation pools during the year and all facilities were provided to conduct the pools and presently pools are running smoothly.

Senior National Badminton championships and four "level 01" ranking tournaments were conducted very successfully in a grand scale with a total prize money of US \$ 18,000/=. All tournaments were conducted on the newly laid synthetic courts to maintain international standards.

A course was conducted for new technical officials, and successful candidates were recruited as technical officials. This helped to increase the capacity of the technical officials of Sri Lanka Badminton by sixty in numbers.

A refresher course was conducted for the existing technical officials to enhance their knowledge on the new rules and regulations.

Our National team and players took part in international events and the following achievements were recorded during the year 2017.

**INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF BADMINTON ASIA CONFEDERATION**
(Registered under the Societies Act, 1966)
(Incorporated in Malaysia)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Badminton Asia Confederation, which comprise the statement of financial position as at 31 December 2017, and the statement of income and expenditure, and statement of receipt and payment for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 6 to 27.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 December 2017, and of its financial performance and its receipt and payment for the year then ended in accordance with Malaysian Financial Reporting Standard and the requirements of the Societies Act, 1966 in Malaysia.

Basis for Opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence and Other Ethical Responsibilities

We are independent of the Company in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

**INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF BADMINTON ASIA CONFEDERATION (CONT'D)**
(Registered under the Societies Act, 1966)

Information Other than the Financial Statements and Auditors' Report Thereon

The Management Committee of the Confederation are responsible for the other information. The other information comprises the Management Committee' Report but does not include the financial statements of the Confederation and our auditors' report thereon.

Our opinion on the financial statements of the Confederation does not cover the Management Committee' Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Confederation, our responsibility is to read the Management Committee' Report and, in doing so, consider whether the Management Committee' Report is materially inconsistent with the financial statements of the Confederation or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the Management Committee' Report, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management Committee for the Financial Statements

The management committee of the Confederation are responsible for the preparation of financial statements of the Confederation that give a true and fair view in accordance with Malaysian Financial Reporting Standard and the requirements of the Societies Act, 1966 in Malaysia. The Management Committee are also responsible for such internal control as the directors determine is necessary to enable the preparation of financial statements of the Confederation that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Confederation, the management committee are responsible for assessing the Confederation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management committee either intend to liquidate the Confederation or to cease operations, or have no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Confederation as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

**INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF BADMINTON ASIA CONFEDERATION (CONT'D)**
(Registered under the Societies Act, 1966)

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Confederation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the Management Committee' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Confederation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Confederation or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Confederation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Confederation, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In accordance with the requirements of the Societies Act, 1966 in Malaysia, we also report that in our opinion, the accounting and other records and the registers required by the Societies Act, 1966 in Malaysia to be kept by the Confederation have been properly kept in accordance with the provisions of the Societies Act, 1966 in Malaysia.

Other Matters

This report is solely made to the members of the Confederation, and for no other purpose. We do not assume any responsibility to any other person for the content of this report.

(Registered under the Societies Act, 1966)

NOTES TO THE FINANCIAL STATEMENTS

1. Corporate Information

The principal activities of the Confederation are those of promoting, managing and developing the badminton sport in Asia in principles of specificity and universality.

The Confederation is registered in Malaysia under the Societies Act, 1966.

2. Basis of Preparation and Significant Accounting Policies

(a) Basis of preparation

The financial statement of the Confederation has been prepared in accordance with the provisions of the Malaysian Financial Reporting Standards (“MFRS”), International Financial Reporting Standards and the requirements of the Companies Act, 2016 in Malaysia.

The financial statements have been prepared under the historical cost convention except as disclosed in summary of significant accounting policies.

The preparation of financial statements in conformity with MFRS requires the use of certain critical accounting estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reported period. It also requires Councils to exercise their judgment in the process of applying the Confederation’s accounting policies. Although these estimates and judgment are based on the Councils’ best knowledge of current events and actions, actual results may differ. The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 2(b).

NOTES TO THE FINANCIAL STATEMENTS

2. Basis of Preparation and Significant Accounting Policies (continued)

(a) Basis of preparation (continued)

Accounting standards, amendments to accounting standards and interpretations that are effective for the Confederation's financial year beginning on or after 1 January 2017 are as follows:

Description	Effective for annual periods beginning on or after
• Amendments to MFRS 107: <i>Disclosures Initiative</i>	1 January 2017
• Amendments to MFRS 112: <i>Recognition of Deferred Tax Assets for unrealized losses</i>	1 January 2017
• Annual Improvements to MFRSs 2014 – 2016 Cycle (Amendments to MFRS12)	1 January 2017

The impact of the above accounting standards, amendments to accounting standards and interpretation effective during the financial year is not material to the financial results and position of the Confederation.

Accounting standards, amendments to accounting standards and interpretations that are applicable for the Confederation in the following periods but are not yet effective:

Description	Effective for annual periods beginning on or after
• Annual Improvements to MFRSs 2014 – 2016 Cycle (Amendments to MFRS 1 and MFRS 128)	1 January 2018
• MFRS 15, Revenue from Contracts with Customers	1 January 2018
• MFRS 15, Clarification to MFRS 15	1 January 2018
• MFRS 9, Financial Instruments	1 January 2018

NOTES TO THE FINANCIAL STATEMENTS

2. Basis of Preparation and Significant Accounting Policies (continued)

(a) Basis of preparation (continued)

• IC Interpretation 22: Foreign Currency Transactions and Advance Consideration	1 January 2018
• MFRS 16 <i>Lease</i>	1 January 2019
• IC Interpretation 23: Uncertainty over Income Tax Treatment	1 January 2019
• MFRS 9 Financial Instruments: Prepayments Features with Negative	1 January 2019
• Amendments to MFRS 128: Long-term Interests in Associates and Joint Ventures	1 January 2019
• MFRS 17: Insurance Contracts	Deferred
• Amendments to MFRS 10 and MFRS 128 <i>Sale or Contribution of Assets between an Investor and its Associates or Joint Venture</i>	

The Confederation will adopt the above pronouncements when they become effective in the respective financial periods. These pronouncements are not expected to have any effect to the financial statements of the Confederation upon their initial application.

(b) Significant accounting estimates, assumptions and judgements

Estimates, assumptions concerning the future and judgements are made in the preparation of the financial statements. They affect the application of the Confederation's accounting policies, reported amounts of assets, liabilities, income and expenses, and disclosures made. They are assessed on an on-going basis and are based on historical experience and other relevant factors, including expectations of future events that are believed to be reasonable under the circumstances.

The key assumption concerning the future and other key sources of estimation or uncertainty at the reporting date, that has a significant risk of causing a material adjustment within the next year relates to depreciation of property, plant and equipment.

BADMINTON ASIA CONFEDERATION
(Registered under the Societies Act, 1966)

NOTES TO THE FINANCIAL STATEMENTS

2. Basis of Preparation and Significant Accounting Policies (continued)

(b) Significant accounting estimates, assumptions and judgements (continued)

The costs of property, plant and equipment are depreciated on a straight-line basis over the useful lives of the property, plant and equipment. Management estimates the useful lives of the property, plant and equipment to be 3 to 10 years as stated in Note 2(c). These are common life expectancies applied in the industries. Changes in the expected level of usage and technological developments could impact the economic useful lives and the residual values of these assets, therefore future depreciation charges could be revised. The carrying amount of the Confederation's property, plant and equipment as at 31 December 2017 are stated in Note 3 to the financial statements

(c) Property, plant and equipment

Property, plant and equipment is stated at cost less accumulated depreciation and accumulated impairment losses. The policy of recognition and measurement of impairment losses is in accordance with Note 2(d).

Property, plant and equipment are depreciated on a straight line method at rates calculated to write off the cost of these assets to their residual value over their estimated useful lives as follows:

Office equipment	10%
Furniture and fittings	10%
Renovation	10%
Computer and software	30%

Depreciation methods, useful lives and residual values are reassessed at the reporting date.

When significant parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Gains or losses on disposals are determined by comparing net disposal proceeds with carrying amount and are included in the income and expenditure account.

NOTES TO THE FINANCIAL STATEMENTS

2. Basis of Preparation and Significant Accounting Policies (continued)

(d) Impairment of non-financial assets

Assets that have an indefinite useful life, such as goodwill or intangible assets not ready to use, are not subject to amortisation and are tested annually for impairment. Assets that are subject to amortisation and depreciation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable.

For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or cash-generating units.

The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or cash-generating unit.

An impairment loss is recognised if the carrying amount of an asset or its related cash-generating unit exceeds its estimated recoverable amount.

Impairment losses are recognised in profit or loss unless it reverses a previous revaluation in which it is charged to the revaluation surplus. Impairment losses recognised in prior periods are assessed at the end of each reporting period for any indications that the loss has decreased or no longer exists. An Impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount since the last impairment loss was recognised. An impairment loss is reversed only to the extent that the asset's carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised. Reversals of impairment losses are credited to profit or loss in the financial year in which the reversals are recognised.

(e) Foreign Currency

(i) Functional and presentation currency

The functional currency of the Confederation is the currency of the primary economic environment in which the confederation operates. Ringgit Malaysia (RM) is the functional currency.

The financial statements of the Confederation are presented in US Dollar which is the presentation currency.

(ii) Transactions in Foreign Currencies

Transactions in foreign currencies are translated into functional currency at rates of exchange ruling at the time of transactions and where settlement had not taken place by 31 December 2017 at the approximate rates ruling as at that date. All gains and losses on exchange are included in the income and expenditure statement.

(iii) Translation of Foreign Currency Financial Statements

Foreign assets and liabilities are translated into US Dollar at exchange rates ruling at the date of statement of financial position. Income and expenditure statement items are translated at the average rate of exchange for the year. The translation differences arising there from are recorded as movements in translation reserve.

The principal exchange rates (dominated in units of US Dollar per unit of foreign currency) used in translating foreign currency are as follows:-

	2017 USD	2016 USD
Ringgit Malaysia (Statement of Financial Position)	0.2471	0.2229
Ringgit Malaysia (Statement of Income and Expenditure)	<u>0.2336</u>	<u>0.2413</u>

(f) Financial assets

(i) Classification

The Confederation classifies its financial assets based on the purpose for which the financial assets were acquired at initial recognition in the following categories:

Financial assets at fair value through profit or loss

Fair value through profit or loss category comprises financial assets that are held for trading, including derivatives (except for a derivative that is a financial guarantee contract or a designated and effective hedging instrument) or financial assets that are specifically designated into this category upon initial recognition.

Assets in this category are classified as current assets if expected to be settled within 12 months, otherwise, they are classified as non-current assets.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

They are included in current assets, except for maturities greater than 12 months after the end of the reporting period. These are classified as non-current assets.

Held-to-maturity financial assets

Held-to-maturity financial assets are non-derivative financial assets with fixed or determinable payments and fixed maturities that the Confederation's management has the positive intention and ability to hold to maturity.

Held-to-maturity financial assets are included in non-current assets, except for those with maturities less than 12 months from the end of the reporting period, which are classified as current assets.

NOTES TO THE FINANCIAL STATEMENTS

2. Basis of Preparation and Significant Accounting Policies (continued)

(f) Financial assets (continued)

(i) Classification (continued)

Available-for-sale financial assets

Available-for-sale financial assets are non-derivatives that are either designated in this category or not classified in any of the other categories.

They are included in non-current assets unless the investment matures or management intends to dispose of it within 12 months of the end of the reporting period.

(i) Recognition and initial measurement

Regular purchases and sales of financial assets are recognised on the trade-date, the date on which the Confederation commits to purchase or sell the asset.

Financial assets are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in profit or loss.

Gains and losses

Financial assets at fair value through profit or loss and available-for-sale financial assets are subsequently carried at fair value. Loans and receivables and held-to-maturity financial assets are subsequently carried at amortised cost using the effective interest method.

Changes in the fair values of financial assets at fair value through profit or loss, including the effects of currency translation, interest and dividend income are recognised in profit or loss in the period in which the changes arise.

Changes in the fair value of available-for-sale financial assets are recognised in other comprehensive income. Impairment losses and exchange differences on monetary assets are recognised in profit or loss, whereas exchange differences on non-monetary assets are recognised in other comprehensive income as part of fair value change.

BADMINTON ASIA CONFEDERATION

(Registered under the Societies Act, 1966)

NOTES TO THE FINANCIAL STATEMENTS

2. Basis of Preparation and Significant Accounting Policies (continued)

(f) Financial assets (continued)

(ii) Subsequent measurement

Gains and losses (continued)

Interest and dividend income on available-for-sale financial assets are recognised separately in profit or loss. Interest on available-for-sale debt securities calculated using the effective interest method is recognised in profit or loss. Dividend income on available-for-sale equity instruments are recognised in profit or loss when the Confederation's right to receive payments is established.

Impairment of financial assets

An impairment loss in respect of loans and receivables and held-to-maturity investments is recognised in profit or loss and is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the asset's original effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account.

An impairment loss in respect of available-for-sale financial assets is recognised in profit or loss and is measured as the difference between the asset's acquisition cost (net of any principal repayment and amortization) and the asset's current fair value, less any impairment loss previously recognised. Where a decline in the fair value of an available-for-sale financial asset has been recognised in other comprehensive income, the cumulative loss in other comprehensive income is reclassified from equity to profit or loss.

An impairment loss in respect of unquoted equity instrument that is carried at cost is recognised in profit or loss and is measured as the difference between the financial asset's carrying amount and the present value of estimated future cash flows discounted at the current market rate of return for a similar financial asset.

Impairment losses recognised in profit or loss for an investment in an equity instrument classified as available for sale is not reversed through profit or loss.

BADMINTON ASIA CONFEDERATION

(Registered under the Societies Act, 1966)

NOTES TO THE FINANCIAL STATEMENTS

2. Basis of Preparation and Significant Accounting Policies (continued)

(f) Financial assets (continued)

(ii) Subsequent measurement (continued)

Impairment of financial assets (continued)

If, in a subsequent period, the fair value of a financial asset measured at amortised cost and the increase can be objectively related to an event occurring after the impairment loss was recognised in profit or loss, the impairment loss is reversed, to the extent that the asset's carrying amount does not exceed what the carrying amount would have been had the impairment not been recognised at the date the impairment is reversed. The amount of the reversal is recognised in profit or loss.

(g) Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, bank balances, deposits with banks and highly liquid investments which have an insignificant risk of changes in value. For the purpose of the cash flow statement, cash and cash equivalents are presented net of bank overdrafts and pledged deposits.

(h) Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method other than those categorised as fair value through profit or loss.

Other financial liabilities categorised as fair value through profit or loss are subsequently measured at their fair values with the gain or loss recognised in profit or loss.

Fair value through profit or loss category comprises financial liabilities that are derivatives (except for a derivative that is a financial guarantee or a designated and effective hedging instrument) or financial liabilities that are specifically designated into this category upon initial recognition.

(i) Government grant

Government grants are recognised at its fair value where there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods in which the Confederation recognised as an expense the related costs for which the grant is intended to compensate.

BADMINTON ASIA CONFEDERATION

(Registered under the Societies Act, 1966)

NOTES TO THE FINANCIAL STATEMENTS

2. Basis of Preparation and Significant Accounting Policies (continued)

(j) Income recognition

Revenue is measured at the fair value of the consideration received or receivable net to discount and rebate on an accrual basis. Revenue is recognised to the extent that it is probable that economic benefits associated with the transaction will flow to the Confederation.

(k) Employee benefits

(i) Short-term employee benefits

Short-term employee benefit obligations in respect of salaries, annual bonuses, paid annual leave and sick leave are measured on an undiscounted basis and are expensed as the related service is provided.

A liability is recognised for the amount expected to be paid under short-term cash bonus or profit sharing plans if the Confederation has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) Defined contribution plans

As required by law, companies in Malaysia make contributions to the state pension scheme, the Employees Provident Fund ("EPF"). Such contribution are recognised as an expense in the statement of income and expenditure in the period to which they relate.

(l) Income taxes

Income tax on the profit or loss for the year comprises current and deferred tax. Current tax is the expected amount of income taxes payable in respect of the taxable profit for the year and is measured using the tax rates that have been enacted at the reporting date.

Deferred tax is recognised on the liability method for all temporary differences between the carrying amount of an assets or liabilities in the statement of financial position and its tax base at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences, unused tax losses and unused tax credits can be utilised.

BADMINTON ASIA CONFEDERATION
(Registered under the Societies Act, 1966)

NOTES TO THE FINANCIAL STATEMENTS

2. Basis of Preparation and Significant Accounting Policies (continued)

(l) Income taxes (continued)

Deferred tax asset and liability is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the tax rates that have been enacted or substantially enacted by the reporting date. The carrying amount of a deferred tax asset is reviewed at each reporting date and is reduced to the extent that it becomes probable that sufficient future taxable profit will be available.

Deferred tax is recognised in the statement of income and expenditure, except when it arises from a transaction which is recognised directly in accumulated fund, in which case the deferred tax is also charged or credited directly in accumulated fund.

Included in the total staff costs above are contributions made to the Employees Provident Fund under a defined contribution plan amounting to USD31,083 (2016: USD28,063).

The total number of employees (excluding Management Committee) of the Confederation at the end of the financial year was 11 (2016: 10)

9. Taxation

No provision for taxation has been made during the financial year as the Confederation is exempted from tax in accordance with Section 44(6) of the Income Tax Act, 1965.

10. Financial Instruments

The Confederation's financial risk management policy seeks to ensure that adequate financial resources are available for the development of the Confederation's whilst managing its financial risk including liquidity and cash flow risk. The Confederation operates within guidelines that are approved by the Boards and the Confederation's policy is not to engage in speculative transactions.

The main areas of financial risks faced by the Confederation and the policy in respect of the major areas of treasury activity are set out as follows:

(a) **Liquidity and cash flow risk**

The Confederation maintains a certain level of cash and cash convertible investments to meet its working capital requirements.

BADMINTON ASIA CONFEDERATION

(Registered under the Societies Act, 1966)

10. Financial Instruments (Continued)

(b) Foreign exchange risk

The Confederation is exposed to foreign current risk as a result of its normal operation activities when the currency domination differs from its functional currency.

The Confederation maintains a natural hedge, wherever possible, by depositing foreign currency proceeds from receipt into foreign currency bank account which will preliminary be used for payments in the same domination. Foreign exchange exposures in transactional currencies other than functional currency of the operating entities are kept to an acceptable level.

(c) Credit risk

Cash deposits and other receivables may give rise to credit risk which requires the loss to be recognised if a counterparty defaults on its obligations. The Confederation's exposure to credit risk arises primarily from other receivables. For other financial assets (including cash and bank balances), the Confederation minimises credit risk by dealing exclusively with high credit rating counterparties.

The credit risk with respect to other receivables are managed through the application of credit approvals, credit limits and monitoring procedures. Credit is extended to the customers based upon careful evaluation of the customer's financial condition and credit history.

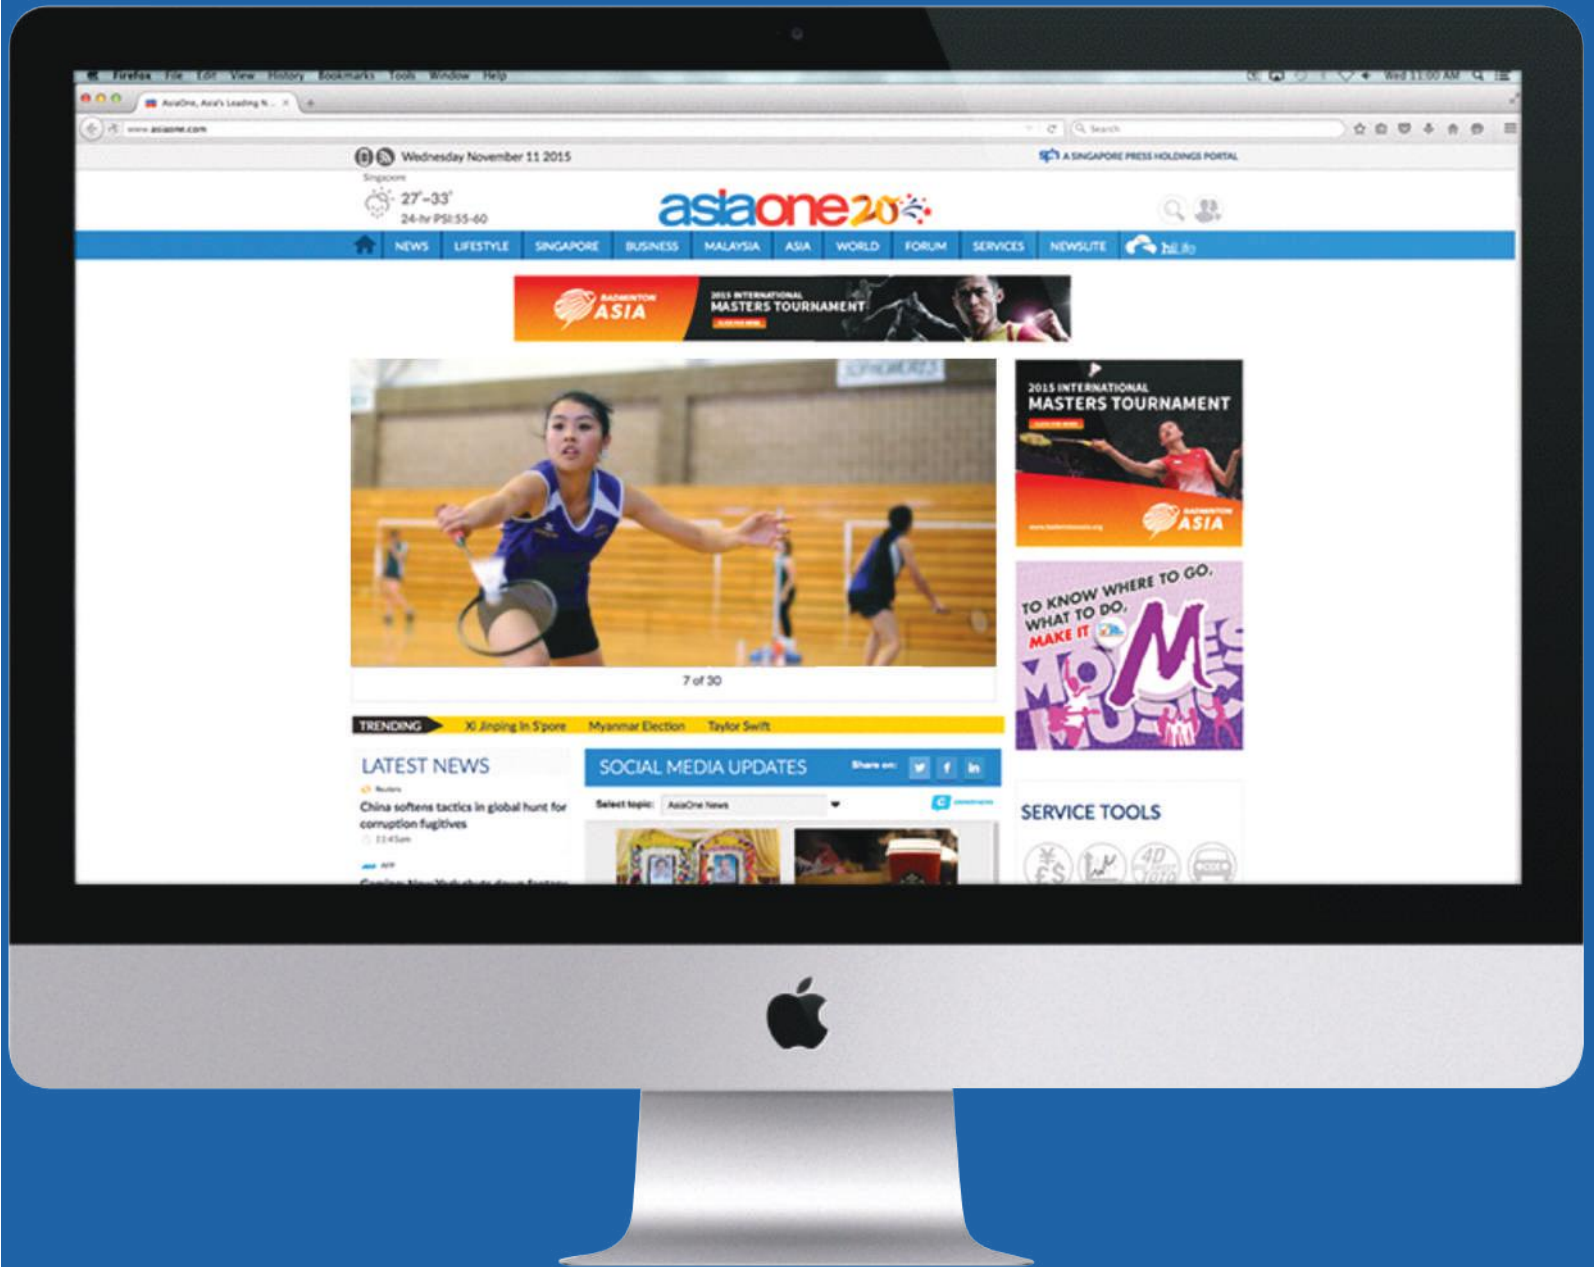

The Confederation's normal credit term granted to customers ranges from 30 to 60 days. Any other credit terms are assessed and approved on a case-by-case basis depending on the length of trading relationship, the volume of trade and other management considerations.

(d) Fair values

The carrying amounts of cash and cash equivalents and other receivables and other payables approximate fair value due to the relatively short to USD nature of these financial instruments.

11. Date of Authorisation for Issue

The financial statements of the Confederation for the financial year ended 31 December 2017 were authorised for issue in accordance with a resolution of the Management Committee on 28th February 2018.

MARKETING COMMITTEE REPORT

JANUARY 2017 TILL DECEMBER 2019

SYRIA

KHOLOUD BITAR | CHAIR

INDONESIA

VICTOR HARTONO | DEPUTY CHAIR

MARKETING COMMITTEE

Chair of Marketing	: Ms. Kholoud Bitar
Deputy Chair of Marketing	: Mr. Victor Hartono
Chief Operating Officer	: Mr. Kenny Goh Chee Keong

The objective of 2017 for Marketing Committee to continue to intensify in creating awareness of Badminton Asia and its activities. In order to achieve the objective, we have divided our marketing strategies to three main areas, namely:

1 PROMOTION ON BADMINTON ASIA'S PROGRAMMES AND ACTIVITIES

- 1.1 BADMINTON ASIA's website continues to be the main communication and marketing tool for Badminton Asia. There are more content in our website and more interesting stories to draw people to our websites. The hits for our website has indeed increased substantially, although we must work harder to ensure that our website is the "first choice" for badminton related stories.
- 1.2 We have also hired a Communication Executive to oversee and strengthen our programmes.
- 1.3 We have also signed a MoU with AIPS Asia to work with us on three areas, namely to get journalists within Asia region to promote Badminton Asia; to send Asian journalists to our events and to get Asian journalist to contribute to our website.
- 1.4 Badminton Asia also became more active in the social media. We started with Facebook, and there seems to be quite a number of followers. This is certainly the best way to reach out to the masses.

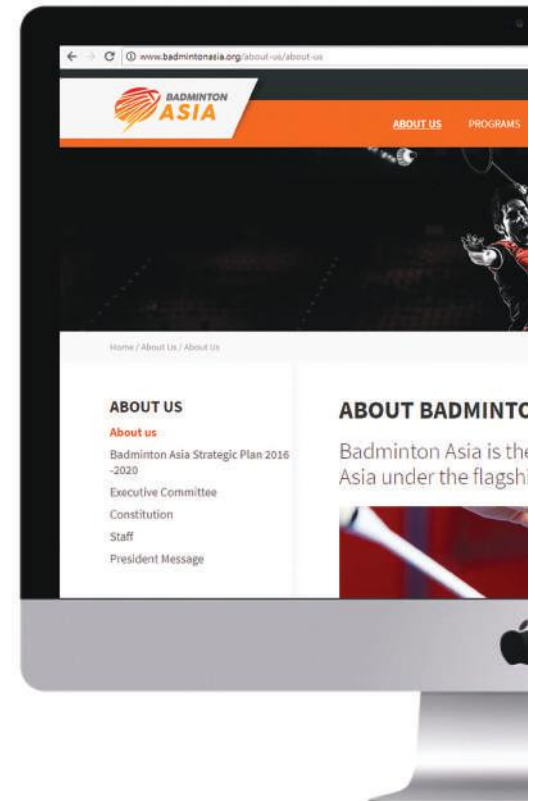

2 TO SEEK MORE SPONSORSHIP

- 2.1 For the year 2016 we had repackaged our events to make it more appealing to potential sponsors and thus, 2017 we are reaping that benefit, with many agencies and companies have expressed their interest to sponsor our events.
- 2.2 We had Wuhan Sports Authority to sponsor our Badminton Asia Championship in Wuhan from 2016 till 2020.
- 2.3 E-Plus, an international sports marketing agency based in Kuala Lumpur, will ensure of sponsorship for our Badminton Asia Team Championship for the year 2017 till 2019.
- 2.4 MP&Silva will remain to be our Media Rights holder till 2020.

3 PROMOTING NEW BADMINTON STARS

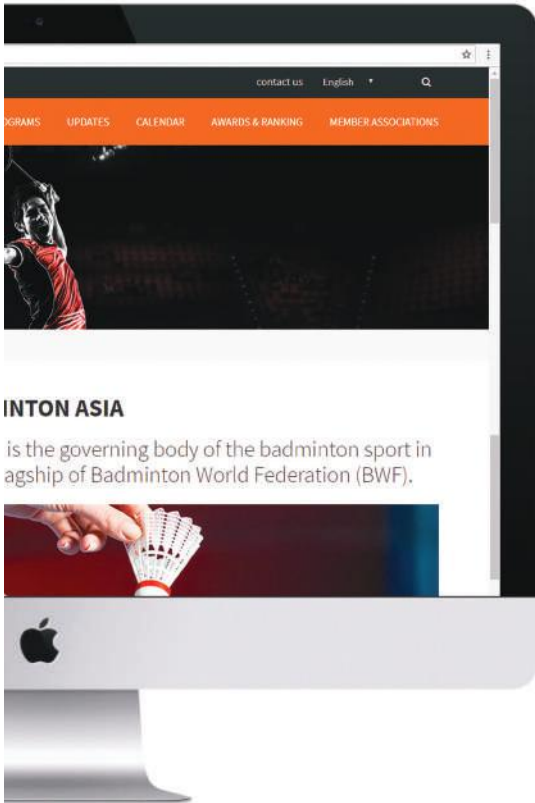

- 3.1 Although this strategy was implemented last year but it shall remain a vital strategy for Badminton Asia. The fact remains that the sport of badminton will have 'no value' if there are no stars in the sport. Therefore, it is only vital to create and promote new stars. This has been done by creating a 'special feature' on young Asian players in our website.
- 3.2 Worked with BWF by leaking our 'special feature' articles to BWF website.

FUTURE PLANS

We hope to create clearer KPIs for 2018, in order to achieve clearer and better marketing results. It is felt that Badminton Asia’s marketing strategies should focus on these areas:

1. To bring up the image of Badminton Asia and its programmes.
2. To make badminton the main sport in Asia.
3. To work with Events Department to create new and vibrant events that can attract new sponsors.
4. To work with Development Department to create Badminton Asia’s own development programmes and how to attract potential sponsors to assist our development programmes.

August 2017 till 2019

Chair of Publicity & Awards : Mr. Battushig Batbold
Deputy Chair of Publicity & Awards : Mr. Lu Sida
Chief Operating Officer : Mr. Kenny Goh Chee Keong

HIGHLIGHTS

The objective of 2017 for this Committee is to publicise Badminton Asia and its activities. Therefore, the strategies are basically focused on two areas.

1.0 Creating a Foundation for Publicity

- 1.1 In 3rd March 2017, Badminton Asia signed a MoU (Memorandum of Understanding) with AIPS Asia. With this memorandum, we certainly hope to work closely with AIPS Asia on making our activities more well-known and publicized.
- 1.2 There are more regular and up-to-date news and content on our website. The website continues to be an important and principle platform for publicity of our events, activities and programmes.
- 1.3 In the middle of 2017, we have also created Facebook which we hope to another platform for spreading the news on Badminton Asia's programmes and activities.

2.0 Creating Interest and to Reach Further

- 2.1 With Badminton Asia more active in the social media platform, we hope to create more interesting stories and content to draw more followers to our social media.
- 2.2 Badminton Asia will also ride on AIPS Asia to help us to promote our activities. Therefore there will be more collaboration with them to ensure that both parties will benefit from this MoU.

FUTURE PLANS

3.0 The committees will indeed hope to expand our outreach both internally and externally by doing the following:

- 3.1 To be more engaging with Member Associations. This could be done by having a regular newsletter.
- 3.2 To engage more fan or followers on our social media platform. Therefore, the need to be more active and vibrant with our social media.
- 3.3 To plan for an Awards Night in 2018. This will be a good avenue to publicise Badminton Asia's achievements.

JANUARY 2017 TILL DECEMBER 2019

AFGHANISTAN

MASTOORA AREZOO | CHAIR

MYANMAR

DR. MYA LAY SEIN | DEPUTY CHAIR

WOMAN IN BADMINTON COMMITTEE

Chair of Women in Badminton : Ms. Mastoora Arezoo
Deputy Chair of Women in Badminton : Dr. Mya Lay Sein
Development Manager : Mr. Thanabalan A.Arikrishnan

1. Nepal

Pillar of the family, it's what we say to the ladies at home, but these ladies are the pillar of the world. Such an amazing and energized ladies whom wants to make the world a better place.

Badminton Asia choose Nepal as the place to launch its 1st Women in Badminton Programme with the support of Australia government and Sport Matters Agency.

Our chair of Women in Badminton Ms. Mastoora Arezoo from Afganistan made the effort to visit Nepal during this event. She was very pleased to see the development effort made towards improving the participation of Women in Badminton overall.

2. Bangladesh

Australian Government, Sports Matters Agency and Badminton Asia jointly organized Women in Badminton programme in Dhaka Bangladesh.

Overwhelming support shown by the participants and the Federation. A country that is rich with culture and heritage has once again prove that Bangladesh are in line with the development happens around the world.

Equal platform was given to these ladies to prove and show the talent.

3. India

The legend of Indian Badminton, Mr Prakash Padukone's Badminton Academy was the centre to celebrate International Women's Day celebration on March 8th 2017. Former International player Ms Trupti Murgunde was the chief guest for this event.

This programme can develop greater impact in womens in Indian sports of Badminton.

The core values of excellence, friendship and respect underpin all of the actions that Badminton Workshop movement undertakes in achieving its mission and the principles are further distinguished by their scope and applicability. Collectively, these goals demonstrate the movement's social responsibility and its deep commitment towards promoting positive change through sport.

4. The one day Shuttle Time programme in Bahrain participated by 37 female physical education students. Programme was held on 22nd April 2017 at University of Bahrain. Those students are who currently studying Badminton as one of the subject in their University.

5. Badminton Asia Women's Committee and the key coordinators meet in Kuala Lumpur Malaysia on the 20th & 21st July 2017.

It was a very fruitful meeting as many important decisions were made and a short term plan were drafted. Thank you to the chairperson Ms Mastoora and BWF Development Director Mr Ian Wright and his team to make this event a success.
